II. Closing remarks

1. You can **feel proud**. Despite the difficult circumstances, you've built a project that you can carry with you after the class.
2. If you enjoyed working on your project, **keep developing it after the class**.
3. I encourage you to **review other students' projects** which will be shared on the CS230 website.
4. **Keep in touch**. You're officially a CS230 graduate, and we hope that you've built a relationship with your team members or a teaching staff member.
